Pastor George Dever - 207-217-4695

Brothers and sisters,

December 11, 2024

This month was blessed with a baptism. Sue Bouchard came forward after visiting a few times and said she wanted to join Antioch. She had already accepted Jesus as her savior but needed to be dunked, which was great encouragement for the members and me. Please keep Sue and the church in prayer as we work together.

Also, this month, we visited a missionary in Alaska, Brother James Shield, and his wife Stace through a Facebook video chat, we use technology to reach and talk to missionaries. They encouraged us, and we realized that we as they have some of the same issues to deal with: the previous owners' DIY work on our houses, the cost of living, and the spiritual struggles we face. I recommend the Shields family be considered in your prayers and financial support.

Our church and personal family thank you for your financial help, prayers, emails, texts, and phone calls. We hope by our perseverance you can see the effect your support has had.

May you have a Merry Christmas celebrating the birth of Jesus.

*In Christ Service
Bro George Dever*
